2024 Impact Report

Dear Friends

For 45 years, Northern Illinois Hospice has been known for the “above and beyonds,” those things that put smiles on faces.

The **&s** make all the difference. First-rate care, caregiver education, integrative and rehabilitation therapies, special programs (*Hospice Hearts, pet visits, Pet Peace of Mind®*, *We Honor Veterans*), world-class volunteer and bereavement support, the Wish Program (*where bucket list goals come true*) and charity care for the underinsured – all are unique and special in today’s hospice care.

& Northern Illinois Palliative Care, our newest program!

The **&s** add up, improving individuals’ quality of life. We appreciate you and your generous support, for **YOU** truly make it possible for us to do what we do best.

**We were thrilled to officially
launch Northern Illinois
Palliative Care on October 1!**

Since the start of the program, we have seen incredible growth with a 45% month-over-month increase in patients served by the end of last year.

Thank you to our incredible donors who have made this program a reality for our community.

All indications show that the program will continue to thrive in 2025 and beyond!
